

## Guidelines for Retailers

Listed on the “Instant Game & UPC Code Info” tab are the Instant ticket games offered by the Mississippi Lottery Corporation (MLC).

The purpose of this list is to provide our retail partners with the following related game information:

- Total Number of Available Games (to order)
- Instant Game Number - **Red font** indicates game number change
- Instant Game Name
- Price Point Per Ticket
- Tickets Per Pack
- Ticket Size
- Pack Cost
- Top Prize
- Launch Date
- Game End Date
- Last Date to Redeem
- Order Status
- UPC Code - **Red font** indicates UPC Code change
- Prior Week Sales Ranking

All Instant games will eventually have three (3) relevant dates that indicate the status of a game:

1. **LAUNCH DATE:** The date a game is or was available for sale and orderable from the MLC Inside Sales.
2. **GAME END DATE:** The date a game can no longer be **sold**. Tickets from this game can be validated and redeemed. The MLC Sales Reps will pick up full and partial packs of this game from each store prior to this date.
3. **LAST DATE TO REDEEM:** The last date that any validations may occur for this game. After this date, data for this game can be removed from your price books.

Order Status is relevant to our Inside Sales Team and indicates the current orderability of an Instant game. We use the following seven (7) categories:

1. **AVAILABLE** – Instant game is orderable and saleable.
2. **NEW GAME** – Instant game is scheduled to be AVAILABLE on the 1<sup>st</sup> Tuesday of the following month.
3. **COMING SOON** – Instant game that is printed and shelved for future release.
4. **REORDER UNAVAILABLE** – Instant game that is currently no longer available for reorder and it is saleable.
5. **GAME PICK-UP** – Instant game that is actively being returned by a MLC Sales Rep and it is saleable unless otherwise notified.
6. **ENDING** – Instant game that is currently being or has already been picked-up by a MLC Sales Rep and is no longer orderable. The last date to sale an ENDING game is the GAME END DATE. The last date to validate an ENDING game is the LAST DATE TO REDEEM.
7. **ENDED** – Instant game that has past the LAST DATE TO REDEEM. This game is not saleable by retailers, not returnable to the MLC, and no longer eligible to validate.

Instant game pack cost and commission breakdown. Retailers earn 6% commission from each activated pack. \$300 packs yield \$18 in retailer commission and the wholesale cost is \$282. Our \$20 Instant games or higher are \$600 packs and yield \$36 in retailer commission and the wholesale cost is \$564.

**Bold RED font indicates information that has changed and require updates/changes to your price books.**

**NOTE: Instant games highlighted in GREEN denotes a \$600 pack cost.**

**Each update of this list will contain changes highlighted in YELLOW and all other data will remain the same.**
